

04. Retina, Vitreous body, Electrophysiology, Low Vision, Color Vision

RC1·RC2·RC3=1 each must be selected.

No.	RC1
04101	age-related macular degeneration (AMD)
04102	polypoidal choroidal vasculopathy (PCV)
04103	macular neovascularization (MNV)
04104	pachychoroid spectrum disease
04105	macular hole
04106	epiretinal membrane
04107	other macular disorders
04108	myopic chorioretinal disorders
04109	retinal detachment
04110	proliferative vitreoretinopathy (PVR)
04111	diabetic retinopathy (DR)
04112	diabetic macular edema (DME)
04113	retinal vein occlusion (RVO)
04114	retinal artery occlusion (RAO)
04115	other retinal vascular disorders
04116	subretinal hemorrhage
04117	retinopathy of prematurity (ROP)
04118	retinitis pigmentosa
04119	vitreoretinal/chorioretinal genetic disorder
04120	trauma
04121	systemic disorder
04122	retina-choroid: miscellaneous
04123	vitreoretina: miscellaneous
04124	electrophysiology
04125	low vision
04126	color sense

No.	RC2
04201	optical coherence tomography
04202	OCT angiography
04203	fundus imaging: miscellaneous
04204	electroretinogram (ERG)/visual evoked potential
04205	biological sample/biomarker
04206	other examinations
04207	vitrectomy
04208	laser treatment
04209	other surgery
04210	pharmacotherapy (topical): Anti-VEGF therapy
04211	pharmacotherapy (topical): others
04212	pharmacotherapy (systemic)
04213	cell · gene therapy/gene editing
04214	tissue engineering/stem cell
04215	other treatments
04216	retinal prostheses/biomaterial
04217	low vision (retina)
04218	visual function/color sense/visual psychophysics
04219	pathology
04220	epidemiology
04221	anatomy/tissue/cell
04222	physiology/biochemistry
04223	electrophysiology
04224	genetics
04225	pharmacology
04226	side effect
04227	circulation
04228	retina-choroid: AI/data science
04229	miscellaneous

No.	RC3
04301	basic research
04302	in vivo/animal study
04303	clinical observational study
04304	clinical interventional study
04305	multicenter study
04306	case report
04307	case series
04308	translational research
04309	specified clinical study/clinical trial
